

Professional Staff

Cozen O'Connor is proud of our bright, talented and diverse professional staff. We often have available positions for experienced professionals for a variety of roles in firm administration, marketing, human resources, information services, case management, library, office services and administrative support positions throughout the firm. We offer a comprehensive package of financial, health and other benefits and a collegial, supportive work environment for our employees.

We invite you to review our website to learn more about our firm. Please [contact us](#) regarding any available positions or with any questions you may have.
